Chairman  
Cohoes Industrial Development Agency  
97 Mohawk Street

(b) The records access officer is responsible for insuring appropriate agency response to public requests for access to records. The designation of a records access officer shall not be construed to prohibit officials who have in the past been authorized to make records or information available to the public from continuing to do so.

The records access officer shall insure that agency personnel:

- (1) Maintain an up-to-date subject matter list.
- (2) Assist persons seeking records to identify the records sought, if necessary, and when appropriate, indicate the manner in which the records are filed, retrieved or generated to assist persons in reasonably describing records.
- (3) Contact persons seeking records when a request is voluminous or when locating the records involves substantial effort, so that personnel may ascertain the nature of records of primary interest and attempt to reasonably reduce the volume of records requested.
- (4) Upon locating the records, take one of the following actions:
  - (i) Make records available for inspection; or,

ii) Deny access to the records in whole or in part and explain in writing the reasons therefor.

(5) Upon request for copies of records, make a copy available upon payment or offer to pay established fees, if any;

(6) Upon request, certify that a record is a true copy; and

(7) Upon failure to locate records, certify that:

(i) The Cohoes Industrial Development Agency is not the custodian for such records, or

(ii) The records of which the Cohoes Industrial Development Agency is a custodian cannot be found after diligent search.

### **Section 3. Location:**

Records shall be available for public inspection and copying at:

### **Section 4. Hours for public inspection:**

Requests for public access to records shall be accepted and records produced during all hours regularly open for business. These hours are: 8 am to 4 pm Monday-through Friday.

### **Section 5. Requests for public access to records:**

(a) All requests for records must be in writing and addressed to the records access officer.

(b) If records are maintained on the internet, the requester shall be informed that the records are accessible via the internet and in printed form either on paper or other information storage medium.

(c) The request shall reasonably describe the records sought and shall include such information as:

(1) the name/title of the document;

(2) approximate date of the document;

(c) A response shall be given within five business days of receipt of a request by:

(1) informing a person requesting records that the request or portion of the request does not reasonably describe the records sought, including direction, to the extent possible, that would enable that person to request records reasonably described;

(2) granting or denying access to records in whole or in part;

(3) acknowledging the receipt of a request in writing, including an approximate date when the request will be granted or denied in whole or in part, which shall be reasonable under the circumstances of the request, and shall not be more than twenty business days after the date of the acknowledgment, or if it is known that circumstances prevent disclosure within twenty business days from the date of such acknowledgment, providing a statement in writing indicating the reason for inability to grant the request within that time and a date certain, and when the request will be granted in whole or in part; or

(4) if the receipt of the request was acknowledged in writing and included an approximate date when the request would be granted in whole or in part within twenty business days of such acknowledgment, but circumstances prevent disclosure within that time, providing a statement in writing within twenty business days of such acknowledgment specifying the reason for the inability to do so and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part.

(d) In determining a reasonable time for granting or denying a request under the circumstances of a request, personnel shall consider the volume of a request, the ease or difficulty in locating, retrieving or generating records, the complexity of the request, the need to review records to determine the extent to which they must be disclosed, the number of requests received by the agency, and similar factors that bear on the ability to grant access to records promptly and within a reasonable time.

(e) A failure to comply with the time limitations described herein shall constitute a denial of a request that may be appealed. Such failure shall include situations in which an officer or employee:

(1) fails to grant access to the records sought, denies access in writing;

(2) acknowledges the receipt of a request within five business days but fails to furnish an approximate date when the request will be granted or denied in whole or in part;

(3) furnishes an acknowledgment of the receipt of a request within five business days with an approximate date for granting or denying access in whole or in part that is unreasonable under the circumstances of the request;

(4) fails to respond to a request within a reasonable time after the approximate date given or within twenty business days after the date of the acknowledgment of the receipt of a request;

(5) determines to grant a request in whole or in part within twenty business days of the acknowledgment of the receipt of a request, but fails to do so, unless the agency provides the reason for its inability to do so in writing and a date certain within which the request will be granted in whole or in part;

(6) does not grant a request in whole or in part within twenty business days of the acknowledgment of the receipt of a request and fails to provide the reason in writing explaining the inability to do so and a date certain by which the request will be granted in whole or in part; or

(7) responds to a request, stating that more than twenty business days is needed to grant or deny the request in whole or in part and provides a date certain within which that will be accomplished, but such date is unreasonable under the circumstances of the request.

(3) the actual cost to the agency of engaging an outside professional service to prepare a copy of a record, but only when an agency's information technology equipment is inadequate to prepare a copy, and if such service is used to prepare the copy.

(e) When an agency has the ability to retrieve or extract a record or data maintained in a computer storage system with reasonable effort, or when doing so requires less employee time than engaging in manual retrieval or redactions from non-electronic records, the agency shall be required to retrieve or extract such record or data electronically. In such case, the agency may charge a fee in accordance with paragraph (d)(1) and (2) above.
